GOVERNOR STEVE BESHEAR

AND

U.S. REPRESENTATIVE HAL ROGERS

FOR THE

I-WAY BROADBAND KICKOFF EVENT

**STATEWIDE BROADBAND NETWORK
BEGINS IN THE SOAR REGION**

1:30 P.M., AUGUST 31, 2015

AT THE

FIRST FEDERAL CENTER

HAZARD COMMUNITY & TECHNICAL COLLEGE

ONE COMMUNITY COLLEGE DRIVE

HAZARD, KY 41701

Following the kickoff, there will be live demonstrations on the benefits of broadband.

KentuckyWired will be a network of more than 3,000 miles of fiber optic cable for broadband. This high-capacity, high-speed middle-mile network will bring access closer to communities. Local service providers can tap into the network to provide last mile services to homes and businesses.
