

Congress of the United States
Washington, DC 20515

September 22, 2010

The Honorable Nancy Pelosi
Speaker
U.S. Capitol
Washington, D.C. 20515

Dear Speaker Pelosi:

We are writing to request the House consider legislation providing an up-or-down vote to extend the expiring provisions in The Economic Growth and Tax Relief Reconciliation Act of 2001 (P.L. 107-16) and The Jobs and Growth Tax Relief Reconciliation Act of 2003 (P.L. 108-27).

If Congress fails to act before the end of the year, American families and small businesses will incur a \$3.8 trillion tax increase—over \$200 billion of which comes next year. This increase will hit millions of small businesses and threatens to take more money out of the private sector. The pending tax increase will impact every American who pays taxes. In addition to eliminating the lowest tax bracket, the tax increases include reinstating the marriage penalty, cutting the child tax credit and resurrecting the Estate Tax.

We request an up-or-down vote on the expiring tax provisions before Congress recesses for the October District Work Period. A balanced and open debate would give Members an opportunity to put their best ideas forward and develop a bipartisan solution for creating jobs. Thank you for your consideration.

Sincerely,

Jack Kingston
