The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
1036 Longworth House Office Building  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the London/Corbin Airport Terminal Renovation in fiscal year 2025. The entity to receive funding for this project is the London-Corbin Airport Board, located at 566 Hal Rogers Dr., London, KY 40744.

This project will update the 40-year-old terminal building improving safety, security, energy efficiency and functionality. The project is an appropriate use of taxpayer funds because the airport improvements will allow the airport to meet necessary safety standards and will increase economic development in underserved communities.

The project has a federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

HAL ROGERS  
Member of Congress
