The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Challenger Learning Center of Kentucky's STEM education program. The entity to receive funding for this project is Challenger Learning Center of Kentucky, located at 1 Community College Dr, Hazard, KY 41701. The funding would be used for a comprehensive STEM education program. This is an appropriate use of taxpayer funds because this expansion of science education features engineering, robotics, and healthcare career components that are critical to the workforce.

The project has a Federal nexus because the funding provided is for the purposes described in section 20102 of title 51, United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

HAL ROGERS
Member of Congress
