The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
1036 Longworth House Office Building  
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for a raw water pump station in Manchester, Kentucky in fiscal year 2024. The entity to receive funding for this project is the City of Manchester, located at 207 Church Street, Manchester, KY, 40962.

The funding would be used for a much needed raw water pump station which would enable the City of Manchester to supply reliable, safe drinking water to its customers. The project is an appropriate use of taxpayer funds because it will upgrade facilities in compliance with Safe Drinking Water Act Standards.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

HAL ROGERS  
Member of Congress
