The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Morehead State University's Space Science equipment in fiscal year 2024. The entity to receive funding for this project is Morehead State University, located at 150 University Blvd, Morehead, KY 40351. The funding would be used for equipment to improve the space tracking stations at Morehead State University. This is an appropriate use of taxpayer funds because these stations will have the capability to support NASA into the future and enhance the workforce pipeline.

The project has a Federal nexus because the funding provided is for the purposes described in section 20102 of title 51, United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

HAL ROGERS
Member of Congress
