The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
1036 Longworth House Office Building  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Pikeville Industrial Building Project in fiscal year 2025. The entity to receive funding for this project is the City of Pikeville, located at 243 Main Street, Pikeville, KY 41501. The funding would be used for the construction of an industrial building suitable for light industrial manufacturing on a build ready site. The project is an appropriate use of taxpayer funds because the project will directly benefit the residents of Pike County, Kentucky through economic stimulus. The direct jobs created through this project will bring economic stability to the region, and the ancillary jobs, especially the trucking industry, will inject new money into the area.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

HAL ROGERS  
Member of Congress
