Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Corbin Parking Garage in Fiscal Year 2027. The entity to receive funding for this project is the City of Corbin located at 805 S. Main Street, Corbin, KY, 40701. The funding would be used for the construction of a multi-level parking garage to support the expansion of the Corbin Center, a regional conference and convention facility. The project is an appropriate use of taxpayer funds because it will provide safe and reliable access to the Corbin Center, enhancing its ability to operate at full capacity and generate increased economic activity for the region.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

HAL ROGERS
Member of Congress
