Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Harlan County Water System Improvements Project in fiscal year 2026. The entity to receive funding for this project is the Harlan County Fiscal Court, located at 210 E. Central St., Suite 300, Harlan, KY 40831.

This project funding will provide critical water infrastructure improvements across Harlan County. These improvements will mitigate water loss, prevent disruptions to service and undue rate hikes. The project is an appropriate use of taxpayer funds because it will provide critical water infrastructure improvements in economically distressed communities.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

HAL ROGERS
Member of Congress
