The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for a new wastewater treatment plant in Louisa, Kentucky in fiscal year 2024. The entity to receive funding for this project is the City of Louisa, located at 215 North Main Cross Street, Louisa, KY, 41230.

The funding would be used for a new wastewater treatment plant. The project is an appropriate use of taxpayer funds because it will upgrade and expand existing facilities in compliance with Clean Water Act Standards.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

HAL ROGERS
Member of Congress
