Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Louisa Fire Department in fiscal year 2026. The entity to receive funding for this project is the City of Louisa, located at 215 N. Main Cross St., Louisa, KY 41230. The funding would be used to construct a new Fire Department and Emergency Facility providing essential fire and emergency services. This is an appropriate use of taxpayer funds because this is a community facility that will provide essential services in a rural community.

This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

HAL ROGERS
Member of Congress
