The Honorable Rosa DeLauro

1036 Longworth House Office Building  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the US 460 Corridor Improvement Project in Fiscal Year 2027. The entity to receive funding for this project is the Kentucky Transportation Cabinet located at 200 Mero Street, Frankfort, KY, 40622. The funding would be used for the expansion of the U.S. 460 Corridor, a regionally important route that connects Salyersville and Paintsville and provides a direct route to the Mountain Parkway. The project is an appropriate use of taxpayer funds because it will create safer travel conditions, improve traffic flow, lower the risk of accidents, and enhance connectivity to important regional resources, local businesses, and homes.

The project has a federal nexus because the funding provided is for purposes authorized by 23 U.S.C. 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

HAL ROGERS  
Member of Congress
