Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Wolfe County Emergency Facility Project in fiscal year 2026. The entity to receive funding for this project is the Wolfe County Fiscal Court, located at 16 Court Street, Compton, KY 41301.

This project will allow Wolfe County to construct a facility for emergency services that is centrally located to areas that are currently underserved. This facility will house equipment, allow for 911 operations, offer a landing pad for medical helicopters and host critical emergency training. The project is an appropriate use of taxpayer funds because it will provide a facility for critical lifesaving services in an area that is currently lacking these essential services.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

HAL ROGERS
Member of Congress
